## **A proud history**

Since 1917, local Lions Clubs have offered people just like you the opportunity to give back to their communities. Today, with over 1.4 million members in more than 190 countries, Lions have expanded their focus to help meet the increasingly complex needs of society.

The Renton Lions Club has served our community since 1939. Today, Renton Lions Club includes enthusiastic, community-minded men and women of all ages, meeting contemporary needs with ongoing solutions in the city of Renton and beyond.

Renton Lions have traditionally provided

glasses, hearing aids, clothing and food for the less fortunate among us.

## **A strong and vibrant presence**

The Renton Lions Youth Camp is enjoyed all summer long by the Boy Scouts, Girl Scouts, Camp Fire and YMCA, providing a wholesome outdoor environment for local youth activities. The camp's Cedar River location helps youngsters learn about the environment every day.

You'll remember our friendly faces from the concession stand at Renton Memorial Stadium, offering hospitality to athletes and fans for decades. Lions also offer free health screenings semi-annually at Renton River Days.

The Renton Lions Club Pioneer Night hosts those who have lived in Renton the longest, creating opportunity for renewing relationships and rekindling memories. It honors those who laid the foundation for Renton to become the strong, vibrant community it is today... our way of saying "thank you."

Renton Lions also support the Northwest Lions Foundation for Sight and Hearing (including the Northwest Lions Eye Bank), the Greater Eastside Lions Low Vision Clinic, Leader Dogs for the Blind, Lions Quest life skills educational programs,

C.A.R.E., Lions Youth exchange program, the Lions Clubs International Foundation... and much, much more.

## **A vision for the future**

The Renton Lions Club strives to continue serving the Renton community for many years to come. To ensure that we stay in touch with current needs and provide the best services possible, we are investing in our future... our members and our community... by supporting various positive, life-changing leadership opportunities.

Plans are underway to celebrate the good deeds of the youth in Renton and we hope to strengthen the inter-generational relationships between Renton's youth and senior populations.

## **Now, more than ever, we need your help**

By joining your local Lions Club, you can help meet the pressing needs in our community and around the world... the visually impaired, our senior community, our youth, the environment, and the disadvantaged of all kinds.

## **Our goal...**

*...To make powerful, positive differences in our Renton community.*

**Making a difference today... for a better tomorrow.**
